

Praise and prayer for February and March 2015

Please join us in thanking God for

- Our new volunteers who have joined, and our faithful continuing volunteers
- The amazing and joyful Christmas celebrations that happened across our programs – praise God especially for the 200 kids and 100 adults who came to the Kids Club Christmas Carnival.
- His amazing provision. We have been blessed with many generous donations of money to continue to run the Centre.
- Many volunteers taking on more responsibilities to assist with the running of the Centre

Please join us in praying for

- Our interactions with the community – either through our programs, or through the op shop, or just as they walk past. Would they know the love of Jesus through us
- Our new Bible Study. Judy Johnson will be running a study on a Tuesday morning – please pray that people would come, and that God’s Word would enrich people and bring them closer to Him.
- Our volunteers. They work hard, and sometimes in difficult circumstances with difficult people. Would they be bound together in love, support each other, and work together. Would they be blessed and strengthened in all they do.
